To

The Secretary to Government,
Agricultural and Forest Department,
Bangalore.

Sir,

Subject:- Lands Kanara.
Sirsi, Taluka Sirsi - Disforestment of certain at ....
For extension of Gaothana.

In submitting herewith the correspondence ending with the endorsement No.FOP-GFL/SDK/5-1 of 63-64 dated 14-5-1963 from the Conservator of Forests in two files I have to state as under:

2. In this case, it is proposed to disforest S.No. 255 of Sirsi measuring 47-8-0 acres for extension of Gaonthana for laying out plots for being granted to the poor houseless persons. Each plot roughly measures 0-3-0 gunthas.

3. Sirsi is a fast developing town where Building operations are on the increase. According to the orders in G.R.R.D.No.2648/33-III-dated 27-6-1945 of the erstwhile Bombay Government, plots were required to be laid out in consultation with the Consulting Surveyor. I have therefore requested the Director of Town Planning, Bangalore to accord approval to the layout after inspection of the site within a period of 3 months since the plots are urgently required for disposal to the poor houseless persons.

4. The Cattle population of Sirsi is 3409 and the grazing area available is 681-27-0 acres. The disforestment of 47-8-0 acres would curtail the available grazing area but as the site is required for extension of Gaothana to provide suitable house sites, the disforestment is a necessity. The Divisional Forest Officer and the Conservator of Forests have no objection to the disforestment of the S.No. . There is also no objection fro-m the members of the public.

5. As stated at the outset, the area to be disforested is 47-8-0 acres. According to the orders in G.R.A.and F.D. No. FDM-1054- dated 28-1-1955 and G.R.A and F.D No.FDM-1054 dated 20-4-1955, the disforestment of the area is beyond the competence of the Deputy Commissioner. The papers are therefore submitted to Government for passing orders.

6. Since the layout of plots in the S.No. is an urgent necessity, I have requested the Director of Town Planning for approval of the layout within a period of 3 months. If the matter is delayed and no reply be received from the Director within the said period there will be no alternative but to adopt the draft layout at page 23 of file I. Since the plots are to be given to the beggers and poor houseless persons, they will be disposed of otherwise than by open auction and payment of occupancy price will also be waived in deserving cases in pursuance of the Government circular order Revenue Department No. RD.77-GNA-61 dated 24-10-61.

7. Government may kindly be moved to accord sanction to the disforestment of S.No. 255 for extension of Gaothana and also for layout of plots and their

disposal as suggested in para 6 above. Very early orders may kindly be obtained and communicated and the papers returned to this office for further action.

Yours faithfully,
